Dental & Vision

For one stop benefits administration, we can also manage an employer's dental and vision benefits. We offer competitive fees and can handle all administrative functions based on the employer's needs. We offer fully integrated and partially integrated service options.

COBRA

As experts in COBRA compliance, our services include billing, collecting and remitting premiums from COBRA participants to insurance partners, verifying eligibility, coordinating election activity and providing monthly reports. We offer fully integrated and partially integrated service options.

Retiree Billing

We help take the burden off of employers to collect health care premiums from retirees who remain active on the employer's health plan. Our retiree billing services include billing and collecting monthly premiums, tracking eligibility, providing online reporting and monitoring individual accounts as needed.

Reimbursement Accounts

We offer flexible cafeteria plan options such as Health Reimbursement Accounts (HRA) and Flexible Spending Accounts (FSA). Our services include a centralized online portal to help answer employee questions, processing reimbursement claims and generating monthly reports for employers.
