We need more information from you now or you will lose your health insurance

September 2, 2014

Case Number: {#####}

Dear {FIRST_NAME} {LAST_NAME},

Thank you for choosing health insurance through Covered California.

We need documents that show that you are lawfully present in the United States as a U.S. citizen, U.S. national, or an individual with eligible immigration status to continue your health insurance through Covered California. These documents are confidential and will only be used to determine your eligibility for health insurance programs. **They will not be used for immigration purposes.** You may have sent us these documents before, but we could not check citizenship or immigration status for the following members of your household:

- {FIRST_NAME} {LAST_NAME}
- {FIRST_NAME} {LAST_NAME}
- {FIRST_NAME} {LAST_NAME}

Important: You must send or resend the necessary documents by September 30, 2014 to keep your health insurance through Covered California.

What To Do Now

1. Read the "List of Documents" below to see which document(s) to provide.
2. Upload, fax, or mail your documents. You may need to send more than one document.
3. Get help if you need it. See below for more information.

Documents are due by September 30, 2014.

What Happens If I Do Not Send Documents?

If we do not get your documents, Covered California must cancel your health insurance along with the federal tax credit you may be using to lower your monthly premiums. If you have received tax credits and your health insurance is canceled, you will have to repay those tax credits. If your health insurance is canceled, you may also have to pay a tax penalty.

If You Already Sent Documents

You may have already sent documents, but we could not check citizenship or immigration status for the documents we received. Please make sure that your documents are on the list in this letter and resend them by **September 30, 2014**.
